## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in the claim: one end of the internal conductor of the coaxial being extended to a predetermined distance outside the external conductor and then bet backward in a opposite direction and along the external conductor and parallel to the direction of the external conductor, and the extended to define a radiating with a predetermined length.

Regarding claims 2-5 are allowable for the reason given in the claim because of their dependency status from the independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Citation of relevant prior art***
